PHARMEX[®]
A Division of TimeMed

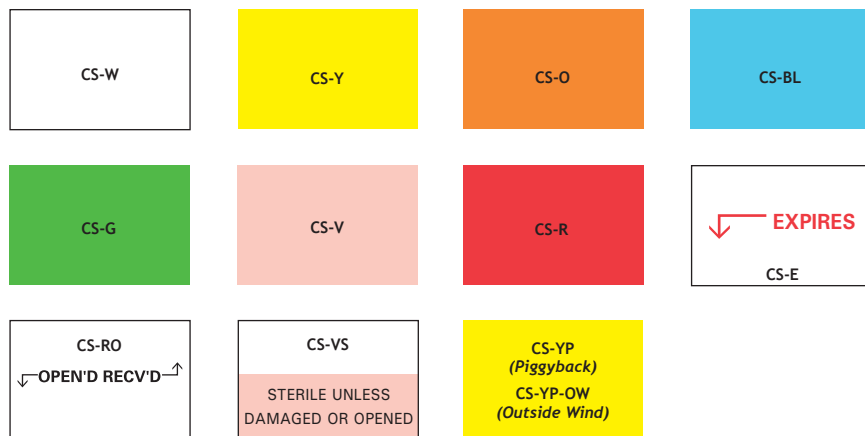

The CS-2 Labeling System has been designed primarily for labeling any items in Central Sterile that need to be autoclaved. It is also great for labeling in Dietary and Pharmacy.

With the lightweight CS-2 labeler, you can print two lines of information with up to eight characters per line. The available characters include two Gregorian dates for expiration and autoclave dating with additional bands for load and sterilizer numbers and dollar signs for price marking.

The CS-2 System single ply labels are all available with a specially developed autoclavable adhesive in a variety of colors and styles.

Contact your TimeMed Sales Representative at 800-323-4840 for additional information on the CS-2 Hand Held Labeling systems.

CS-2[®] System Components

NOTE: PB Indicates Piggyback Material

CS-2 Labels and Components					
Product Code	Label Size	Core Size	Max OD	Material/Adhesive	Qty.
CS-W	5/8" x 15/16"	1"	2-1/2"	Litho/Perm	1M/RL - 24RLS/BX
