Meditech Information System Labels

Is optimizing and managing operations important to your facility?

TimeMed can provide you with a wide variety of labels that have been specifically designed to work with your Meditech Information Systems and routine labeling applications. Look for the BD symbol, throughout the next couple of pages, for TimeMed's complete line of V-notch labels. V-notch labels were developed in conjunction with BD to reduce errors caused by misaligned labels.

- ♦ Optimize and Manage Laboratory and Pharmacy Operations
- ♦ Improve Patient Safety and Satisfaction
- ♦ Improve Laboratory and Pharmacy Efficiencies
