

Custom Anesthesia Tape and Label Order Form

To create your own anesthesia tapes and/or labels, copy this page or go to www.TimeMed.com and print out a copy - fill the form out completely and fax it back to our Customer Care Division at 800-548-5359.

Date: _____

Facility Name: _____

Bill to Address: _____

Your Phone #: _____

Total Number of rolls _____

PO#: _____

Your Name: _____

Ship to Address: _____

Your Email: _____

Available choices are shown below. Write your label message below the correct label you need. Please note the product minimums. All anesthesia tapes and labels must be ordered in increments of the corresponding minimums (6 for tapes, 16 for labels).

Please check (✓) all that apply!

1. WRITE CLEARLY!
2. BE SPECIFIC!
3. BE CASE SENSITIVE!

Drug Name Here _____ Units Here _____
 Date _____ Time _____ Int. _____

Each anesthesia tape and/or label you order will conform to the ASTM Standard D4774-94 unless otherwise noted. This standard color codes each label by drug class.

The standard format contains the drug name, appropriate unit of measure and provides blanks for amount, expiration date and time, and initials of the person administering the medication. Though, if a pre-printed dosage is your preference, please indicate correct dosage and unit of measure.

If you require a different format on your tape or label, please; CHECK HERE

Also, it is very important that you are "case sensitive" when writing in the drug name, ie; ATRAcium, TRAcium, etc.

So, write your information clearly, and as always, if you have any questions please feel free to contact your local PDC-TimeMed sales representative.
